Additional fees
Opkrævning af tillægsgebyrer

Fee A: Additional fee for assessment of residue levels/MRL of active substances in plant protection products. Applicable for plant protection products used on edible crops or fodder. Fee per active substance (FVST/DTU)

Gebyr A: Tillægsgebyr for vurdering af restkoncentrationer i fødevarer og foderudført af Fødevarestyrelsen/DTU. Gebyret opkræves for vurdering af restkoncentrationer (MRL) af aktivstoffet i plantebeskyttelsesmidler, der bruges på spiselige afgrøder og foder. Gebyr for hvert aktivstof

Note 1: If FVST finds no need to evaluate residues, or if the application is rejected during validation, a fee of only DKK 3.200 will be charged.

Note 1: Hvis FVST konstaterer, at der ikke skal vurderes restkoncentrationer, eller hvis ansøgningen afvises ved valideringen, nedsættes gebyret til 3.200 kr.

Fee B: Additional fee for assessment of efficacy, phytotoxicity and selectivity. Applicable for all applications for product authorisation (AGRO)

Gebyr B: Tillægsgebyr for vurdering af plantebeskyttelsesmidlets effektivitet, phytotoksicitet og selektivitet, udført af Aarhus Universitet, Institut for Agroøkologi (AGRO).

Fee C: Additional fee for assessment of a new active substance or microorganism in Denmark or renewal of an active substance or microorganism. Applicable for all plant protection products containing a new active substance or an active substance to be renewed. Fee per active substance in the product.

Gebyr C: Tillægsgebyr for første vurdering af nyt aktivstof (eller ny mikroorganisme) eller første fornyelse af et aktivstof i Danmark. Gebyr for hvert aktivstof.

Note 2: For application of the first plant protection product with the concerned active substance, if not previously approved in Denmark, or first application after re-evaluation of the active substance

Note 2: Ved ansøgning om det første plantebeskyttelsesmiddel med det pågældende aktivstof, hvis det ikke er godkendt i Danmark, eller ved første ansøgning efter at aktivstoffet er blevet revurderet i EU.

Fee F: Additional fee for assessment of co-formulants in plant protection products

Gebyr F: Tillægsgebyr for vurdering af hjælpestoffer i plantebeskyttelsesmidler

Note 3: For applications with alternative co-formulants the fee is *doubled*

Note 3: Ved ansøgninger om alternative hjælpestoffer *fordobles* gebyret

Note 4: New approved change entails the approval of a new label. A separate fee is charged for the approval of the new label (Fee No. 9232)

Note 4: Hvis godkendelsen af en ændring bevirker, at der skal godkendes en ny etiket, opkræves særskilt gebyr for etiketgodkendelsen (gebyr nr. 9232).

Additional fees for changes during assessment
Tillægsgebyrerne for ændringer under sagsbehandlingen opkræves således

Additional fee for EPA amendment of on-going application. Applicable when there is a need for a new assessment (e.g. addition of crop, change of dose or time for application)

Gebyret for Miljøstyrelsens vurdering omfatter nye vurderinger, for eksempel ved ændring af afgrøde, ændring af dosis eller ændring af tidspunkt for udbringning.

FVST/DTU: Additional fee for assessment of residue levels/MRL of plant protection products. Applicable for plant protection products used on edible crops or fodder.

Gebyret for Fødevarestyrelsens vurdering omfatter ændringer, der indebærer ny vurdering af restkoncentrationer i spiselige afgrøder og foder.

AGRO: Additional fee for assessment of efficacy, phytotoxicity and selectivity. Applicable for all applications
