Vehicle registration certificates for the vehicles in question, must always be attached.

Reasons for application (mark with an X)

<p>The vehicle is a unique special-purpose vehicle, which is only used few times every year in the environmental zones and the installation of a particulate filter involves a cost that lies significantly above the average price (approx. 50,000 DKK) (Vehicle registration certificate and documentation for the price involved with installing a particulate filter on the vehicle, must be attached)</p>	<input type="checkbox"/>
<p>The installation of a particulate filter is technically impossible (Documentation in the form of a technical statement saying that the installation of a particulate filter on the vehicle in question is technically impossible due to the special fitting of the vehicle, must be attached)</p>	<input type="checkbox"/>
<p>Other circumstances (Write out below in the field "Other remarks")</p>	<input type="checkbox"/>

If the application is based on more than one of the above-mentioned reasons, please tick off more than one box.
